

# NUG NUG NEWS 2012

While it appears nothing has changed at the Park, once again the Committee has been busy behind the scenes. Look closely and you will find new water taps and Power Poles all for your convenience. During the year we have answered hundreds of phone queries about the park, bought a new ride on mower, and thought long and hard about our next park improvements. Having spent so much money in previous years on upgrading the park facilities funds have been tight this last twelve months. While we wait for the funds to accumulate the Committee will continue to identify and cost park improvements to continue providing everyone with an enjoyable camping experience. So please be mindful of your fellow campers, keep your noise to a minimum, your dog on a leash and have a great time at the Nug Nug 2012/2013 season. And if you have nothing better to do fill in a nomination form and join us making the park better for all.

## NEW YEAR'S EVE

To Celebrate the New Year the Camper's association will be holding a fancy dress night
